

## **Sports Premium**

*Impact Report*

*2017-2018*

Jack Bloodworth

### **Year Highlights**

1. The school has continued to improve its provision and has been awarded Sainsbury's school sport gold for school sports for academic year 2017/18.
2. The school has been shortlisted into the top three schools for school sport in Salford and will attend the awards dinner in September.
3. Our sports clubs have increased in popularity, all our clubs this year were full and extra clubs added to meet demand.
4. Our dance provision has continued to thrive, more boys joining the dance team.
5. Our sports day took place at a local sports club with over 300 children taking part in sporting activities simultaneously after having great feedback from last year's event.
6. Parents attitudes towards school sports has continued to grow, parents have made a great effort to support our inter school competition programme.
7. Our school sports has now gone eco-friendly, all clubs and competitions are advertised online and an online registration programme is in use.

### **Curriculum Sports**

- Our children look forward to their PE lessons both with the sports coach and their own class teacher, who through the new curriculum map also look forward to delivering PE, a huge step forward for our school.
- School sports this year has had a high focus on key areas of transferable skills including fitness, ball skills, gymnastics (physical literacy) and team games.
- A new assessment system has been introduced to help track and monitor every individual child's progress throughout the year, allowing us to provide more tailored interventions where needed.

### **Curriculum Gymnastics**

- Gymnastics was this year's key focus, despite clear progression and a new attitude from children in this area, our previous attempts at competitions shown a clear gap in ability when compared to other schools.
- A higher ability club was introduced to help deepen learning.

- In this year's competition some of our children achieved scores which surpassed any scores we had achieved in the past.

### **After School Clubs**

- The school continues to offer two/three after school clubs each week for KS1 and KS2, the clubs include a varied topic range of activities that are not offered in curriculum PE.
- All the clubs are free, therefore no barriers for our local children that may find it difficult to pay for additional clubs.
- We have continued to deliver higher ability clubs this year, enabling our high achievers the opportunity to develop further at a good pace.

### **Participation**

- School sport and after school club participation has increased this year, all KS1 and KS2 classes enjoy a minimum of 120 minutes of timetabled curriculum PE with the sports coach and class teachers with an additional 60 minutes being offered to all children, enabling us to achieve the Sainsbury's schools games gold award criteria.
- Participation has again increased from last year, both in clubs, higher ability clubs and competitions.
- Through targeted clubs our participation this year has increased over 50% in some year groups.

### **Assessments**

- A new assessment criteria has implemented and is having a great impact on monitoring and planning, ensuring our children's lessons are tailored to their needs each week.

### **Intra School Competition**

- Children within the school compete against each other in KS1 and KS2 on a half termly basis in the topic they have been learning, allowing them to put their newly learnt skills into a realistic scenario whilst giving each class motivation to develop their skills.
- The intra-school interaction allows us to be meeting the criteria for the Sainsbury's school games awards programme.
- School sports day is now organised based around using all the key skills we have focused on over the year, this broad range of activity in a competitive

format allows for a greater quantity of children to be able to compete in an area with the hope of winning.

- We linked in with our local high school to offer all year 3/4 children a morning competing in athletics, led by college students.

### **Inter School Competition**

- Our school continues to compete on a regular basis. Clarendon Road now being the lead school for Eccles, organising and ensuring that our children and the children in local schools get the opportunity to compete in a minimum of one competition each half term.
- Our school is showing a progression with our children in competitions, especially in the sports that we have had a clear focus on within the curriculum.
- This year we have taken part in:
  1. Hockey: Came 2<sup>nd</sup>.
  2. Basketball: Came 2<sup>nd</sup> to an impressive Monton Green.
  3. Rugby: Came 2<sup>nd</sup> in our group missing out by one try.
  4. Gymnastics: Fell outside the top three in all age groups however individual scores in areas were higher than previous years.
  5. Indoor Athletics: Came 5<sup>th</sup> in our competition.
  6. Cricket: Won the shield, our first silverware in cricket.
  7. Dodgeball: We won this year's dodgeball competition, also the dodgeball finals and went on to represent Salford in the Greater Manchester Games and came 2<sup>nd</sup> after losing in the final.
  8. Girls Football: Came 2<sup>nd</sup>.
  9. Swimming Gala: This year's runner up in the gala.
  10. Tennis: Won our cluster competition and represented Eccles in the finals and won, we went on to represent Salford in the Greater Manchester Games.
  11. Athletics: Our year five and six children represented school in a range of athletics events, we managed to win some heats and compete in the finals.
  12. Dance: Came 3<sup>rd</sup> in the biggest dance competition in Salford with some amazing feedback from the judges and parents.
  13. Quadkids: We took part in the athletics based competition.
  14. Jagtag: We took part in the first ever Jagtag (American football) event in Salford, a great day out learning a new sport.

15. Archery: We hosted an archery competition and invited local schools, we came second in this event.

- Our inter school competitions have included both KS1 and KS2.

### **Lunchtimes/Playtimes**

- Sporting activities are now offered on the school yard at all playtimes and lunchtimes. These vary from football, tennis, basketball, handball, volleyball and cricket.
- These activities have vastly improved the behaviour on the playground; all children are kept busy and understand the importance of keeping the activities clean and without conflict.

### **Equipment**

- School PE equipment is stored securely and maintained by the Sports Coach, with an emphasis on teaching staff to maintain equipment they use and return after use.
- We have sufficient equipment needed to deliver the curriculum; occasional replenishment will be required of balls etc.
- Gymnastics equipment is maintained by an outside company for health and safety reasons, with annual inspections.
- We now have shorts and socks for our sports kit which is used for competitions.
- We have purchased archery equipment this year.

### **Teacher Training**

Our teachers now take part in team teaching to develop their knowledge and skills in PE.

A group of our higher ability gymnasts took part in a teacher training day, helping to develop the skills of teachers from other schools.

### **Future Targets**

Next year our school sport programme will move onto new areas as invasion games, gymnastics and dance are now firmly at the required standards to meet both the curriculum and enable us to compete.

Our targets for next year are as follows:

1. To continue team teaching, ensuring all new staff have the opportunity as a priority.
2. To have ball skills as a main focus and embed into every lesson.
3. To run several after school intra school competitions after school and increase participation and parental engagement.
4. To continue to use the new assessment criteria and use as a planning tool.
5. To highlight non swimmers in year 5/6 and offer top up swimming sessions to increase the amount of children leaving our school that can swim.
