### The Election Process

First, we had an assembly on it, Mrs Dwyer explained what was expected in being on the council and some jobs we would have to do. Then we completed application forms. After that, we presented our applications to our classes and we had a vote. From then on, we had our new school council representatives.

### Notice Boards

Both the ECO and School Council now have their very own notice boards. All updates, future meetings and news will be shared on here.

Our last fundraising event was **Red Nose Day**, on the 24<sup>th</sup> March. We came in wearing something red and we donated £1. We also sold red noses and we raised **£552.73**.

A huge well done to the ECO-Team in achieving Bronze status this summer. Every class and other rooms in the school are now recycling paper, card and plastic bottles. We are also growing our own vegetables and fruit in the garden.

### Community Litter Pick

We had an amazing morning tidying up the surrounding areas of school. Thank you to Linda O'Connell from the LA and the sweepers for their help. Our school looks so much tidier.

### Ward 84

Our next fundraising event is "**Be Seen in Green.**" It is for Ward 84 - our nominated charity this year. Children will be asked to wear something green on Friday 7<sup>th</sup> July in return for a donation towards our Summer Raffle.
