Re: National School Breakfast Programme

Dear Parents,

We are pleased to tell you that our school has joined the government's National School Breakfast Programme (NSBP), which is being delivered by the charities Family Action and Magic Breakfast.

As a NSBP school, we are pleased to offer a healthy breakfast, available to all, and enjoy the benefits that brings, with children settled and ready to learn at the start of the school day.

Children will be able to choose from a selection of cereals or a bagel each morning from **Monday 14th January**. Breakfast will be available to the children in their classrooms between 8.45 – 9.05am and eaten as they complete their morning tasks. This will mean they are fuelled and ready to learn.

This free provision, funded by the charities above, is in addition to our current wrap-around morning childcare provision of Sunshine Club. Sunshine Club attendees will also have access to the selection of cereals and bagels.

To give you a taste of what the children will have available to them to make sure they don't start the day hungry, bagels will be available on the playground on **Friday 11th January** and **Wednesday 16th January** during drop-off time. The children will have a chance to taste them in school on Friday 11th January, ready for our full launch next week.

We are very excited by this initiative and hope it will give every child at Clarendon a great start to the day.

Kind regards,

Mrs Gallagher
Acting Headteacher
