## Re: Final reminders for school re-opening on Monday 8<sup>th</sup> March

Dear Parents/Carers,

It is here and so close we can nearly touch it! The full return to school is nearly within touching distance! We hope you are looking forward to Monday and the full return to school – we definitely are!

I hope you have had time to read the letter sent earlier this week (Tuesday) about the timetables and routines for Monday 8<sup>th</sup>. If not, please have a read through on ParentApp so you and your child know what to expect.

We also sent a social story through ParentApp yesterday. This could help any children who are feeling a little bit uneasy about what Monday might bring. It will only take a few minutes to share with them, but could be very valuable for all of our pupils.

### Pick up & drop off

If you have more than one child in school, you DO NOT need to queue twice. Please go to the line for the YOUNGEST child and we will show siblings how they can enter or leave school safely.

Please be mindful of parking and keeping our children and families safe. Please do not park on corners, double yellow lines or block the driveways of local residents.

### School dinners

Please make sure you have ordered these in advance using the Evolve system if your child takes school dinners.

### Uniform

Uniform rules are relaxed – children should wear a school jumper/t-shirt on top and leggings/jogging bottoms/tracksuit bottoms and trainers on the bottom half. This will allow them to be active every day and mean they do not need to change for PE.

### What to bring to school

Do not forget:

- Packed lunches
- Water bottles
- Waterproof coats
- Reading book bags
- Maths workbooks, whiteboards, pencil cases, reading books and reading records that were sent home

## **Remote learning**

Where individual pupils have to isolate we will provide remote learning.

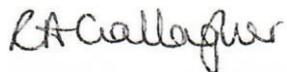

A timetable will be shared with these pupils via ParentApp and pupils can access activities on Tapestry (Nursery & Reception) or Google Classroom (Year 1 – Year 6).

There will also be two daily 'check-in' Zooms Monday – Thursday with a member of our support team that pupils can access and they can also join our celebration assembly on a Friday.

If your child is isolating, please make sure you let us know so we can provide them with everything they need to access this remote learning offer.

Have a lovely weekend.

Stay Safe,

A handwritten signature in black ink, appearing to read 'R. Gallagher', written in a cursive style.
