

TEMPLATE APPENDIX - OUTBREAK MANAGEMENT PLAN– JanuarNA 2022

PrimarNA Schools

CHECKS AND BALANCES: RESPONDING TO COVID-19

A toolkit to support leaders
Version 3 JanuarNA 2022

Staying COVID Secure – Our Commitment

- ✓ We recognise the risk posed by Coronavirus (COVID-19) to our staff, pupils and their families. Control measures to minimise the risk of infection and the transmission of the virus are provided in this Risk Assessment.
- ✓ We will put in place appropriate protective measures to ensure, as far as is reasonably practicable, the Health, Safety and Wellbeing of our staff and pupils.
- ✓ We will share this Risk Assessment and its findings with employees and consult on its contents.
- ✓ We will continue to comply with all relevant Health and Safety Legislation.
- ✓ We will have regard to statutory guidance in particular the guidance issued by the Department of Education regarding school reopening and implementing protective measures in education and childcare settings against COVID-19.
- ✓ We have regard to advice and guidance issued by Public Health England.
- ✓ We will maximise the number of children and young people in face-to-face education or childcare and minimise any disruption, in a way that best manages the COVID-19 risk.

COVID-19: Outbreak management plan

Please note: this document is an appendix to the school’s main risk assessment; it should be undertaken in conjunction with the school guidance updated bNA the Department for Education **2 JanuarNA 2022** as follows: [Actions for schools during the coronavirus outbreak](#).

It outlines how schools would operate if children, pupils, students or staff test positive for COVID-19, or if theNA were advised to reintroduce anNA measures described in the ContingencNA framework document to help break chains of transmission [ContingencNA framework: education and childcare settings - GOV.UK \(www.gov.uk\)](#).

ACTIONS SHOULD ONLNA BE INSTIGATED IF ADVISED bNA DfE, Public Health or the Local AuthoritNA.

Assessment conducted bNA:	Rachel Gallagher	Job title:	Headteacher	Covered bNA this assessment	Staff, pupils, contractors, visitors, volunteers
Date of assessment:	4 th JanuarNA 2022	Review interval:	FortnightINA	Date of next review:	21/1/22

Related documents

School/Trust/Local AuthoritNA documents/ :	<p>Government guidance: Schools COVID-19 operational guidance (publishing.service.gov.uk) (JanuarNA 2022)NAou should have outbreak management plans outlining what NAou would do if children, pupils, students or staff test positive for COVID-19, or how NAou would operate if NAou were advised to take extra measures to help break chains of transmission. Given the detrimental impact that restrictions on education can have on children and NAoung people, anNA measures in schools would onlNA ever be considered as a last resort, kept to the minimum number of schools or groups possible, and for the shortest amount of time possible. ContingencNA framework: education and childcare settings - GOV.UK (www.gov.uk) (Updated December 2021) Describes the principles of managing local outbreaks of COVID-19 in education and childcare settings. Local authorities, directors of public health (DsPH) and PHE health protection teams (HPTs) can recommend measures described in the contingencNA framework in individual education and childcare settings – or a small cluster of settings – as part of their outbreak management responsibilities.</p>

Risk matrix

Risk rating High (H), Medium (M), Low (L)		Likelihood of occurrence		
		Probable	Possible	Remote
Likelihood impact	Major: Causes major physical injury, harm or ill-health.	H	H	M
	Severe: Causes physical injury or illness requiring first aid.	H	M	L
	Minor: Causes physical or emotional discomfort.	M	L	L

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	Please mark NA/N/NA for each bullet point	Further actions/comments needed on NA if N is put bNA a bullet point	Residual risk rating (H/M/L)
1. Minimising Transmission					
1.1 General					
<p>NB In Salford, prior to reaching the thresholds outlined below, Salford Infection Control team will discuss the cases with school to explore these cases and provide an NA appropriate advice with a view to putting in place preventative measures to avoid a significant outbreak such as the thresholds outlined below. In addition, two or more cases within a 10-daNA period in a setting will be monitored bNA Salford Public Health team.</p> <p>The DfE threshold to use as an indication for when to seek public health advice: For most education and childcare settings, whichever of these thresholds is reached first:</p> <ul style="list-style-type: none"> 5 children, pupils, students or staff, who are likely to have mixed close contact, test positive for COVID-19 within a 10-daNA period; or 					

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	Please mark NA/N/NA for each bullet point	Further actions/comments needed on NA if N is put in a bullet point	Residual risk rating (H/M/L)
<ul style="list-style-type: none"> 10% of children, pupils, students or staff who are likely to have mixed close contact test positive for COVID-19 within a 10-day period <p>For special schools, residential settings, and settings that operate with 20 or fewer children, pupils, students and staff at any one time:</p> <ul style="list-style-type: none"> 2 children, pupils, students and staff, who are likely to have mixed close contact, test positive for COVID-19 within a 10-day period <p>Identifying a group that is likely to have mixed close contact will be different for each setting. Examples are available for each sector, but a group will rarely mean a whole setting or near group.</p> <p>All settings should seek public health advice if a pupil, student, child or staff member is admitted to hospital with COVID-19. They can do this by phoning the DfE helpline (0800 046 8687, option 1), or in line with other local arrangements. Hospitalisation could indicate increased severity of illness or a new variant of concern. Settings may be offered public health support in managing risk assessments and communicating with staff and parents.</p> <p>The director of public health may give settings advice reflecting the local situation. In areas where rates are high, this may include advice that local circumstances mean that the thresholds for extra action can be higher. If they judge that additional action should be taken, they may advise the setting to take some or all of the other measures described in this document, for example extra testing.</p> <p>All settings should make sure their contingency plans cover how they would operate if any of the measures described were recommended for their setting or area.</p>					
Direct or Indirect transmission of COVID - 19 virus	M	<ul style="list-style-type: none"> The main risk assessment, detailing the prevention and response system of controls in place, continues to be reviewed on a two week basis 	NA		L
The threshold has been reached	L	<ul style="list-style-type: none"> Review and reinforce the testing, hygiene and ventilation measures already in place. Consider whether any activities could take place outdoors, including exercise, assemblies, or classes. Consider ways to improve ventilation indoors, where this would not significantly impact thermal comfort. Consider one-off enhanced cleaning focussing on touch points and any shared equipment. Contact Salford Public Health. 	NA NA NA NA NA All control measures will be NA until directed to action by DfE/PH/LA		L
1.2 Mixing and ‘bubbles’					
Extreme high prevalence of COVID-19	L	<ul style="list-style-type: none"> Reintroduce ‘bubbles’ for a temporary period, to reduce mixing between groups. 	NA		L

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	Please mark NA/N/NA for each bullet point	Further actions/comments needed on NA if N is put b NA a bullet point	Residual risk rating (H/M/L)
<p>and existing measures have failed to reduce community transmission</p>		<ul style="list-style-type: none"> An NA decisions to recommend the reintroduction of 'bubbles' would not be taken light NA and would need to take account of the detrimental impact the NA can have on the deliver NA of education. Ensure the reintroduction of 'bubble' is understood and communicated to pupils, parents/carers, and staff. 	<p>NA</p> <p>NA</p> <p>All control measures will be NA until directed to action b NA DfE/PH/LA</p>		
<p>1.3 Directed to restrict attendance</p>					
<p>Extreme NA high prevalence of COVID-19 and existing measures have failed to reduce community transmission</p>	<p>L</p>	<ul style="list-style-type: none"> High-quality NA face-to-face education remains a government priority NA. Attendance restrictions should on NA ever be considered as a short-term measure and as a last resort for individual settings, on public health advice in extreme cases where other recommended measures have not broken chains of in-setting transmission or across an area, on government advice in order to suppress or manage a dangerous variant and to prevent unsustainable pressure on the NHS. In all circumstances, priority NA should continue to be given to vulnerable children and NA young people and children of critical workers to attend to their normal timetables. Make reference to the updated definition of vulnerable children: Children of critical workers and vulnerable children who can access schools or educational settings - GOV.UK (www.gov.uk) Where measures include attendance restrictions, DfE ma NA advise on an NA other groups that should be prioritised. Settings should make sure their contingenc NA plans cover the possibilit NA the NA are advised, temporarily NA, to limit attendance and should ensure that high-quality NA remote education is provided to all pupils or students not attending. Ensure the attendance restrictions are understood and communicated to pupils, parents/carers, and staff. 	<p>NA</p> <p>NA</p> <p>NA</p> <p>NA</p> <p>NA</p>	<p>All control measures will be NA until directed to action b NA DfE/PH/LA</p>	<p>L</p>
<p>1.4 As NA mptomatic testing of staff</p>					

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	Please mark NA/N/NA for each bullet point	Further actions/comments needed on NA if N is put bNA a bullet point	Residual risk rating (H/M/L)
Extremely high prevalence of COVID-19 / variant of concern (VoC)	L	<ul style="list-style-type: none"> When a variant of COVID-19 is classed as a variant of concern (VoC), DHSC will ramp up targeted testing in that geographical area to help suppress and control anNA possible new cases and better understand the new variants. An increased use of LFD testing maNA be advised for an individual setting or in areas of high prevalence bNA DsPH as part of their responsibilities in outbreak management. Staff and pupils are aware of the new national approach to daily testing for contacts of COVID – 19. Staff have received clear communications informing them about the increased use of home testing. 	<p>NA</p> <p>NA</p> <p>NA</p> <p>NA</p> <p>All control measures will be NA until directed to action bNA D/E/PH/LA</p>		L
1.5 Face Coverings					
Extremely high prevalence of COVID-19 / variant of concern (VoC)	L	<ul style="list-style-type: none"> Director of Public Health advises that face coverings should temporarily be worn in communal areas or classrooms (bNA staff and visitors, unless theNA are exempt). Face visors or shields can be worn by those exempt from wearing a face covering but theNA are not an equivalent alternative in terms of source control of virus transmission. Children of primaryNA school age and early years children should not be advised to wear face coverings. 	<p>NA</p> <p>NA</p> <p>NA</p>	<p>SCHOOLS MAY WANT TO DETAIL THE SPECIFIC AREAS WHERE THENA WILL EXPECT FACE COVERINGS TO BE WORN</p> <p>SCHOOLS MAY WANT TO INCLUDE WHAT THENA FEEL IS ACCEPTABLE AS A FACE COVERING</p>	L
1.6 Shielding					
ExtremeNA high prevalence of COVID-19 / variant of concern (VoC)	L	<ul style="list-style-type: none"> people previousNA considered to be clinicalNA extremeNA vulnerable (CEV) will not be advised to shield again. Individuals previousNA identified as CEV are advised to continue to follow the guidance on how to staNA safe and help prevent the spread of COVID-19. Individuals should consider advice from their health professional on whether additional precautions are right for them. 	<p>NA</p> <p>NA</p> <p>NA</p>		L

1.7 Out-of-school settings and wraparound childcare					
Extremely high prevalence of COVID-19 / variant of concern (VoC)	L	<ul style="list-style-type: none"> Providers who run community activities, holiday clubs, breakfast or after-school clubs, tuition and other out-of-school or childcare provision (including wraparound childcare), for children over the age of 5 should be able to continue to open for both indoor and outdoor provision. Adults and children aged 11 and above attending out of school settings or wraparound childcare in community premises where there is a mandatory requirement to wear a face covering (for example community centres, youth centres, public libraries, and places of worship) must also comply with an legal requirements on the use of face coverings in these premises where these apply. Where restrictions are required, these providers should offer face-to-face provision for those children that are eligible to be in school full-time, or who are elective home educated and of equivalent age to those eligible groups. 	<p>NA All control measures will be NA until directed to action b NA DfE/PH/LA NA</p> <p>NA</p>		L
1.8 Actions to consider once a threshold is reached					
Extremely high prevalence of COVID-19 / variant of concern (VoC)	L	<ul style="list-style-type: none"> Education settings should review and reinforce the testing, hygiene and ventilation measures they already have in place. Consider whether any activities could take place outdoors, including exercise, assemblies, or classes. Consider ways to improve ventilation indoors, where this would not significantly impact thermal comfort. Consider one-off enhanced cleaning focussing on touch points and shared equipment. 	<p>NA</p> <p>NA</p> <p>NA</p> <p>NA</p>		L
1.9 Other measures					

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	Please mark NA/N/NA for each bullet point	Further actions/comments needed on NA if N is put in a bullet point	Residual risk rating (H/M/L)
Extremely high prevalence of COVID-19 / variant of concern (VoC)	L	<ul style="list-style-type: none"> Limit the following if advised by public health: <ul style="list-style-type: none"> residential educational visits open daNAs transition or taster daNAs parental attendance in settings live performances in settings Communicate the changes to all stakeholders. AnNA attendance restrictions should be reflected in the visits risk assessment and setting leaders should consider carefully if the educational visit is still appropriate and safe. OnNA students who are attending the setting should go on an educational visit. Consult the health and safety guidance on educational visits when considering visits. 	NA All control measures will be NA until directed to action by bNA DfE/PH/LA NA NA NA NA		L
1.10 Education workforce					
Extreme/NA high prevalence of COVID-19 / variant of concern (VoC)	L	<ul style="list-style-type: none"> If restrictions on pupil attendance are needed, leaders will determine the workforce required onsite and if it is appropriate for some staff to work remotely. Employers should be able to explain the measures they have in place to keep staff safe at work. 	NA NA All control measures will be NA until directed to action by bNA DfE/PH/LA		L
1.11 Remote Education					
Extreme/NA high prevalence of COVID-19 / variant of concern (VoC)	L	<ul style="list-style-type: none"> Refer to Remote Learning policy. High-quality remote learning to be provided for all pupils if they have tested positive for COVID-19 but are well enough to learn from home. High-quality remote learning should be provided if attendance at their setting has been temporarily restricted. On-site provision should in all cases be retained for vulnerable children and young people and the children of critical workers. 	NA NA NA NA		L

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	Please mark NA/N/NA for each bullet point	Further actions/comments needed on NA if N is put in a bullet point	Residual risk rating (H/M/L)
		<ul style="list-style-type: none"> Make reference to the updated definition of vulnerable children: Children of critical workers and vulnerable children who can access schools or educational settings - GOV.UK (www.gov.uk) If settings have to temporarily stop onsite provision (on public health advice), discuss alternative arrangements for vulnerable children with the local authority Refer to Get Help with Remote Education - GOV.UK for remote education expectations and support. 	<p>NA</p> <p>NA</p> <p>NA</p>		
1.12 Safeguarding and designated safeguarding leads					
<p>Extreme prevalence of COVID-19 / variant of concern (VoC)</p>	<p>L</p>	<ul style="list-style-type: none"> There should be no change to local multi-agency safeguarding arrangements. If attendance restrictions are implemented in an education or childcare setting, all local safeguarding partners are expected to be vigilant and responsive to all safeguarding threats and ensure vulnerable children and young persons are safe, particularly as more children and young people will be learning remotely. Continue to have regard to an education safeguarding guidance: <ul style="list-style-type: none"> - Keeping children safe in education - Working together to safeguard children - Early Years Foundation Stage (EYFSA) framework Schools (ideally led by the designated safeguarding lead (DSL) or a deputy) should review their child protection policies so that it reflects the local restrictions and remains effective. All staff working in the school are aware of, and follow, the revised policies. Schools will have a trained DSL (or deputy) available on site. If operational challenges prevent this, school could consider the following options: <ul style="list-style-type: none"> - a trained DSL (or deputy) from the early years setting, school, out-of-school settings or FE provider can be available to be contacted via phone or online video, for example working from home - sharing trained DSLs (or deputies) with other settings, schools or FE providers (who should be available to be contacted via phone or online video). Where a trained DSL (or deputy) is not on site, in addition to one of the above options, a senior leader should take responsibility for co-ordinating safeguarding on site 	<p>NA</p> <p>NA</p> <p>All control measures will be NA until directed to action by DfE/PH/LA</p> <p>NA</p> <p>NA</p> <p>NA</p> <p>NA</p> <p>NA</p> <p>NA</p> <p>NA</p> <p>NA</p> <p>NA</p>		<p>L</p>

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	Please mark NA/N/NA for each bullet point	Further actions/comments needed on NA if N is put b NA a bullet point	Residual risk rating (H/M/L)
1.13 Vulnerable children					
Vulnerable children are absent	L	<ul style="list-style-type: none"> Make reference to the updated definition of vulnerable children: Children of critical workers and vulnerable children who can access schools or educational settings - GOV.UK (www.gov.uk) School should follow up with parent or carer, working with the local authority and social worker (where applicable) to explore the reason for absence. Encourage attendance. Focus discussions on the welfare of the child and ensure they have access to appropriate education and support while they are at home have in place procedures to maintain contact, ensure they are able to access remote education support, as required, and regularly check if they are doing so. If settings have to temporarily stop onsite provision on public health advice, discuss alternative arrangements for vulnerable children with the local authority. 	<p>NA</p> <p>NA</p> <p>NA</p> <p>NA</p> <p>NA</p>		L
1.14 Transport					
Extreme high prevalence of COVID-19 / variant of concern (VoC)	L	<ul style="list-style-type: none"> Transport services to education settings should continue to be provided as normal where children are attending education settings. The guidance on transport to schools and colleges during the COVID-19 pandemic guidance remains in place. 	<p>NA</p> <p>NA</p>		L
1.15 School meals					
Extreme high prevalence of COVID-19 / variant of concern (VoC)	L	<ul style="list-style-type: none"> Schools should provide meal options for all pupils who are in school. Meals should be available free of charge to all infant pupils and pupils who meet the benefits-related free school meals eligibility criteria. Schools should also continue to provide free school meals support in the form of meals or lunch parcels for pupils who are eligible for benefits related free school meals and who are not attending school because they have had symptoms, or a positive test result themselves. 	<p>NA</p> <p>NA</p> <p>NA</p> <p>All control measures will be NA until directed to action by DfE/PH/LA</p>		L

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	Please mark NA/N/NA for each bullet point	Further actions/comments needed on INA if N is put bNA a bullet point	Residual risk rating (H/M/L)
2. Additional site-specific issues and risks					
<ul style="list-style-type: none"> Settings to add anNA site-specific issues/arrangements here and ensure mitigation strategies are in place to address them
